Nadja Bender

Bender, 22, lives in Copenhagen when she's not in runway shows for Alexander Wang, Versace, and Lanvin or shooting ad campaigns for Balmain and Gucci.

What's your typical pre-party routine?

"If I go all in, I'll take a very long shower—wash my hair, shave my legs, and then walk around in my robe for a very long time, just relax and chill."

How do you get in the mood to go out?

"I'll put on a good party song—we have some tacky pop music [in Denmark]. I would never listen to it unless I was going to a party. But I cannot sit still. I'll be singing into the hair-dryer."

Where do you go when a party is over?

"There's a popular pizza place near all of the clubs. We call it 'Porno Pizza' because back in the old days, they had a TV screen in the back that would play porn."
