Gömlek: **Givenchy/Beymen** 2 bin 405 TL

Yazın açan çiçekler mevsim değişse de sizi terk etmiyor. Ancak bu sefer farklı renklerle karşınızda. Zira tasarımcıların koleksiyonlarında yer verdiği floral desenler biraz karanlık. Koyu renklerin hakim olduğu tasarımlar bu deseni alışılmadık bir şekilde gardirobunuza sokacak.

Çiçekli takım elbise giymek ister misiniz diye sorsalar muhtemelen cevabınız hayır olurdu. Ama kesin karar vermeden önce bir kez daha düşünün. Dolce&Gabbana, Alexander Wang ve Alexander McQueen'in takım elbiselerindeki desenler, kullanılan koyu tonlar sayesinde floral desenin giyimini kolaylaştırıyor.

# YEŞİLE DOĞRU

Bu kışın paletinde en çok yere sahip olan renklerden biri de yeşil. Kravattan gömleğe, ayakkabıdan çantaya kadar doğanın etkisi altında olacaksınız. Tek parçayla yetinmek istemeyenlere açık kart veriyoruz. Baştan ayağa bu renge bürünmek serbest.
